

CAMARILLO HEIGHTS STEM ACADEMY (TK-5)

35 CATALINA DRIVE, CAMARILLO, CA 93010 | (805) 383-5305

Camarillo Heights STEM Academy

Camarillo Heights STEM Academy is a TK-5 school which emphasizes learning by doing. All Camarillo Heights students gain hands-on exposure to Science, Technology, Engineering, and Math (STEM) content through rich STEM and Makerspace experiences.

Camarillo Heights students are problem solvers who approach tasks through inquiry, analysis, and collaboration. Students learn using diverse technology, tools, and processes sparking innovation and discovery.

Students learn to develop interdependence, leadership, and social-emotional growth in all grades.

9 DLA

Digital Learning Academy

Our Digital Learning Academy (DLA) provides a flexible and engaging instructional program based on a blended learning model. Using Board-adopted curriculum, our DLA teachers provide instruction through a mix of in-person and supplemental learning assignments.

The DLA option provides flexibility for students to connect from home, while providing the option to engage in scheduled hands-on learning experiences and extracurricular activities on campus.

Camarillo Heights STEM Academy is the home school for the Elementary Digital Learning Academy.
